# THE HAWKINS STEMM ACADEMY

## WALKING SCHOOL BUS

Dear Hawkins STEMM Academy Families,

Your school is participating in the YMCA, Safe Routes to School WALKING SCHOOL BUS PROGRAM!

The program is designed to promote **active transportation** and **healthy living** for children of all grades. Students are led by adult WSB Leaders on a specific route to school along with a group of their peers.

Families can avoid the long drop off and pick up lines at the school by utilizing our remote drop off and pick up location, which is located at the Bancroft St. parking lot of the Toledo Botanical Gardens (TBG).

Students will be greeted in the morning by the WSB Leaders between 8:15-8:35am. The Walking School Bus will depart be no later than 8:40am. The process will be reversed in the afternoon. Where parents can pick up their students up at TBG between 3:35-3:45pm.

Download the registration form at <https://www.livewelltoledo.org/walking-schoolbus> Return to the school office and hop on the walking school bus!

### HEY KIDS! WALK WITH US AND:

- **HAVE FUN**
- **MAKE NEW FRIENDS**
- **IMPROVE HEALTH**
- **BOOST CONFIDENCE**
- **GAIN INDEPENDENCE**
- **REDUCE TRAFFIC**
