

# Hawkins Walking School Bus

*Dear Families,*

*We are excited to announce that in partnership with the YMCA; Safe Routes to School Program and Toledo Metro Parks we will be offering families the option to utilize a remote drop off and pick up location at Toledo Botanical Gardens, where adult leaders will be available to greet your students and walk them to and from school.*

**WALK WITH US AND:**

- **HAVE FUN** with friends on the way to school.
- **REDUCE TRAFFIC** near the school making it safer for those who walk or bike from home
- **GET SOME EXERCISE** and arrive to school ready to learn.
- **SAVE TIME** by avoiding excessive bus and vehicle traffic at the school.
